

BUYER GUIDANCE

Your purchase in trusted hands

Buying a property in Spain involves paperwork, taxes and legal steps. As your buying agent, we take all of it off your hands — from the first document to long after the handover of the keys.

1× FEE

TRANSPARENT PRICE

One fixed fee — everything included

For **all** of the services below, Grupo Soltura charges one fixed, all-in fee. No separate items, no surprises afterwards: you know exactly where you stand in advance.

Also if you found the property elsewhere. Our full purchase guidance — at the same fixed fee — applies regardless of whether you bought the property through our office or through another agent.

WHAT WE ARRANGE FOR YOU

NIE number & tax registration

No purchase without a NIE number. We apply for your NIE number(s) and arrange their tax registration.

Power of attorney — buying remotely

Not in Spain on the signing date? We arrange a notarial power of attorney so the purchase can proceed without you being present.

If desired

Debt and charges check

We check whether any debts, mortgages or charges rest on the property, so you become its owner free and clear.

Charges · Mortgages · Debts

Legality check of the property

We verify that the property you are buying was built legally and holds the proper permits, licences and registrations.

Permits · Habitation · Land registry

Translations & guidance at the notary

We translate the documents and co-sign the notarial deed with you, so you know exactly what you are signing.

Translations · Co-signing the deed

Tax returns after purchase

We take care of the mandatory returns: Modelo 600 and, where applicable, Modelo 211.
